

New Membership Request - Family

There are two steps involved in the process. Firstly, you need to pay for your membership fee via the club online store and then submit your membership requests for each family member into the Surf LifeSaving Australia (SLSA) members portal system.

Payment of Fees

Please go to our online club store via our club's website. Go to <https://fairhavenslsc.org/> and then click on the 'Club Fees & Store' menu item and select 'Membership Fees'.

Scroll down to the relevant membership fee option – likely to be Family (Discount) or Family Plus (Discount) if you are a family of adults and children (students). Otherwise, select the individual membership category fee for each family member and then add to cart.

To finalise payment, go to checkout and enter your payment details.

to join

Click on the 'Not a member of a surf club? [Click here](#) to join'

Note: If you have been a member of any other surf club in the past, then a record for you already exists on the system so you will need to arrange a Transfer request.

Contact clubadmin@fairhavenslsc.org for further details as to how to do this.

Once you have clicked on the link, the following will appear and enter the information as indicated below:-

Then click the 'Next' button to proceed.

Enter in your details, then click the "Add family member" button to add in all your family members (like the example below).

Once they have all been entered, click the 'Next' button.

A summary of your details will appear and check that they are correct. You will then be asked to setup a Members Area Account (user account - as per below) so that you can access your member records and family group via the members portal. This will enable you to update your details and renew membership going forward, for all family members.

Create a Members Area Account

To keep track of your membership application, an account will be created for you in our Members Area. Use this account to manage your membership once you become a member. An email will be sent to you asking you to activate your account:
