ENFORCER

ANODIZED ALUMINIUM 86% REFLECTIVE

- MEDIUM - 400w to 600w lamps
- LARGE - 1000w or twin 600w lamps
- SMALL - 150w to 250w lamps - available in Enforcer & Defender models

- ✳ Increase yield per lamp by up to 50%.
- ✳ Twice the power and efficiency of most other reflectors.
- ✳ Increase the growing area under each lamp by up to 75%.
- ✳ Sold in 25 countries across 4 continents, Adjust-A-Wings are the "reflectors of choice" for many of the world's top growers.
- ✳ The "Adjustable Light Spread" allows growers to create ideal lighting conditions across all stages of plant growth for increased vitality, health and yield.
