YOU CAN DEPEND ON US. OUR PRODUCTS. OUR SERVICES. OUR PEOPLE.

This consumer guarantee is granted by Steelcase Limited and applies exclusively to products purchased by consumers from Steelcase Inc. (Steelcase) or from a Steelcase Authorized Reseller. THIS GUARANTEE PROVIDES EXCLUSIVE REMEDIES:

Where a product (or part or component of the product) is faulty, misdescribed or unfit for its intended purpose, unless one or more of the exceptions listed below applies, Steelcase will, at no charge, either (i) repair the affected product, part or component or (ii) replace with a new or refurbished product, part or component of comparable function, performance and quality. If neither repair or replacement are possible and achievable in a timely manner for a cost proportionate to the value of the product, or if the repair or replacement, once carried out, does not remedy the problem with the product, Steelcase will provide the Consumer with a refund or credit for the price paid for the product, part or component. The Consumer may choose which option, out of a refund or credit, it prefers.

Before granting a remedy in response to a claim by a Consumer under this guarantee, Steelcase may (i) ask the Consumer provide information such as photographs or video footage to demonstrate the problem with the product, as well as (ii) inspect the product, in order to verify that it is faulty, misdescribed or unfit for its intended purpose and determine whether any of the exceptions listed below apply. Steelcase will bear the cost of transporting the product to Steelcase (or nominated Steelcase

representative) for inspection and/or repair as well as the cost of returning any repaired/replacement product back to the Consumer.

Steelcase reserves the right to require the return of the defective product prior to taking corrective action.
