

Customized Stretch Wrappers with Advanced Technology since 1994

ENHANCED SAFETY FENCING PACKAGE

A-Arm Automatic with Light Curtain & Safety Fence

- ❖ This system features the automatic “A-Arm”, the most reliable and trouble-free film attach and cut device. It allows your operator to load, wrap and unload without ever having to leave the fork truck or touch the stretch film.
- ❖ The machine will not operate until the operator is clear of the protected area.
