## PRINTABLE RING SIZE MEASURER

INSTRUCTIONS

1. Check you are viewing this document at 100% size
   (If in doubt, check the toolbar and set zoom to 100%).

2. Print the document, it will fit on standard printer paper
   sizes; be sure **not** to select any 'fit to page' options!

3. Measure the 5cm cube below to check the printed
   size is correct.

4. Cut the ring sizer out, carefully cut a slit under the
   'Your ring size' arrow and loop the end through.

Measuring tips:
• Aim for a comfortable snug fit, not too tight or loose!
• Double check, and if it's possible to do so, wait a few
  hours inbetween measurements for the best accuracy!
