- Snacks/Food
- Drinking Water
- 10-20 L of fuel (depending on how much you will ride)
- Camping/Sleeping Equipment (WARM CLOTHES & BLANKETS)

WHAT NOT TO BRING:

- No dogs by order of Motorcycling Australia
- No quads by order of Motorcycling Australia.

- * Dads of junior girls are not only required by law, but are super welcome. Saturday's coaching will give your girl all the knowledge, confidence and new pals she needs to be able to head out into the trails on Sunday, without her epic by her side.*
- We do, of course, also have pied pipers who will pair up with your girl and stick to her like glue out on the trails on Sunday, if that is what you both need. Plus, there are plenty of sweeps and all the women and girls at the event always lookout for one-another.*
- If there was ever a place to stretch that parenting cord, it is here, at Coach Camp Ride!*

START YOUR BIKE BEFORE YOU LOAD IT UP!

We want you to get the most out of the weekend, which means that time spent fixing bikes, is time that you're not out riding with the other ladies. And just because we're telling you to leave your support crew at home, doesn't mean you can't get a quick hand off them (if you need it) before you head out, to make sure everything is in working order!

We know that many of you ladies don't get out riding as much as you'd like too and just because your bike was

running well when you parked it up a month or two ago, doesn't mean it still will be. One of the most common issues we have at Jemma Wilson Events are bikes with old stale fuel. So please, start her up and ride her around the yard (if you can) before you load up!

A FEW THINGS TO CHECK ARE:

- Tyre Pressure
- Air filter
- Tighten all bolts
- Chain tension
- Charged battery

MAKE SURE YOU PACK A SPARE:

- Clutch lever
- Brake lever
- Front and rear tube
- Spark plug

RIDER SIGN-ON

EVENT EXTRAS

PIED PIPERS

YOUNG HENRYS & MXSTORE SLOW RACE

At 2pm, Sunday, we will run the SLOW RACE 'World Championship'. It will be held right in the pits and will see juniors vs juniors, seniors vs seniors and then the coaches will likely jump in too. No need to sign up, just keep your gear on at ridings end and have a laugh, whilst showing off your skills - or lack of. 😂😂

JEMMA'S COURSE NOTES

- Take it easy. Especially on Saturday morning. Give yourself time to settle in and warm up before you go mun-yuck!
- Take care riding in the pit area, to and from camp. There are kids around! 1st gear walking pace ONLY!
- Don't ever ride backwards on the tracks. If you are having a moment and need help, just pull over to the side and wait for a sweep rider. If you need out, they will show you the way.
- Don't cut the course! Again, if you want out, wait for a sweep rider, don't take off into the unknown.

A FEW RULES FOR A BRILLIANT WEEKEND

NOISE RULES

No starting bikes before 8am or after 4pm.
No music after 10pm each night.
No generators after 10pm each night.
Be mindful of and nice to thy neighbour.

CAMPING SPACE

The camping spot that you are allocated will be close to your neighbour. It has to be this way.

BE MINDFUL OF AND KIND TO THY NEIGHBOUR

All generators and lights must be switched off at 10pm on each night. Organisers reserve the right to withdraw riders without refund if the behaviour of an entrant (and/ or their support crew) breaches this rule.

FIRES

No fireworks or flares or open fires, though you are welcome to bring an enclosed and elevated brazier or potbelly/cast-iron stove to contain your fire. Please do not put rubbish, glass or cans in any fire.
All fires must be extinguished and kept away from fuel while tracks are open and riding is happening.

BOOZE

No alcohol is to be consumed by entrants while/before riding.

NO SMOKING

No smoking near any fuel or in the Pit Area.

RIDING/DRIVING IN THE PITS

You may ride from your camp area to the track entrances, through the pits. However, please remember that this is a SHARED SPACE. Be careful of cars, pedestrians and other riders. And only ride 1st gear, walking pace!

PETS

Animals (no matter how domesticated) are not permitted at the event, by order of Motorcycling Australia.

FOOTWEAR

Enclosed footwear must be worn in the Pit Area while the tracks are open, and riding is happening.

WHAT'S THIS MOTORCYCLING AUSTRALIA (MA) LICENSE?

If you don't know what it is, you need to purchase one. It is the requisite insurance for the weekend, as it is a MA permitted event. Ladies who already have a MA Race or Recreational License do not need to purchase one. A Road License or AMA license is not the same thing.

WHAT'S THE WEATHER LIKE?

Cool at night, and maybe a little dusty but there is always the chance that it will rain but rain will not scare us away. Your safety is my priority and if any dangerous weather is forecast, I will let you know what the plan of attack will be.

IS THERE PHONE SERVICE?

Absolutely.

HOW CAN I CONNECT WITH OTHER SUPER RAD CHICKS HEADING TO THE EVENT?

If you would like to make friends or connect with ladies you've met at previous Jemma Wilson Events, and maybe even carpool, make sure you join and post on the 'Legend Ladies of Jemma Wilson Events' Facebook page. If you have questions that you think heaps of ladies might like to know the answer to, then ask on there as well. I can answer all those questions at once then!

<https://www.facebook.com/groups/jemslegendladies/>

CAN I ENTER ON MY QUAD BIKE?

I'm sorry, no. This is a Motorcycling Australia permitted trailride and accordingly Quads cannot mix with two wheelers.

MY CIRCUMSTANCES HAVE CHANGED, CAN I GET A REFUND?

No refunds. You can on-sell your ticket, and you don't need to tell me about it! The lady who purchased your spot just needs to give us your name upon entry. You MUST also forward on any event information to her, as I won't have her details.

If you purchased a shirt and you want it, you must email: jemma@jemmawilson.com with your address and transfer \$15 postage before the event date. Otherwise we will assume you on sold your shirt too.

BSB: 124 047

Account: 2325 9880

Reference: Your name + Ride Day Shirt

If the event is cancelled, you will receive a full refund.

CAN I GET OUT ON THE TRACK WITH MY CAMERA AND TAKE SOME PICTURES?

Absolutely! But you MUST SIGN ON and get a HIGH VIS vest!! I will have photographers and videographers out there trying to capture all the moments, but they cannot be everywhere. So, if you have a camera and want to see what sick pics you can get, that is wonderful!

And don't forget to share them on the Legend Ladies of Jemma Wilson Events Facebook page (scan QR code for easy access!)

WHAT'S THE BEST WAY TO OVER-TAKE SOMEONE ON THE TRACK?

As there's such a wide range of riding abilities entered, a key element of JWE is making everyone feel comfortable but also allowing you faster girls the freedom to ride to your ability as well. The course is designed to allow multiple areas around the track where faster riders can pass slower riders easily and safely. If you find yourself behind a slower rider, be respectful of their event experience, show some patience and pass at the earliest safe opportunity. If you find yourself in a situation with a clearly faster rider behind you, show them courtesy by allowing them to overtake as soon as possible and give them plenty of room so they can do so safely.

WHAT PROTECTIVE EQUIPMENT IS REQUIRED?

All participants are required to wear protective equipment, including an Australian Standards-approved riding helmet, plus boots that cover your ankles (MX boots are certainly preferred), goggles and gloves, plus long pants and a long sleeve shirt.

CAN I WEAR MY POV/HELMET CAMERA (GO-PRO)?

Cameras may be fitted to the motorcycle, provided they are securely mounted.. Helmet-mounted cameras are not permitted unless the camera is integrated into the helmet, by design of the manufacturer. The term "helmet camera", as outlined in the MoMS' General Competition Rules (GCRs), is intended to define all components of a camera that attaches to a helmet in any way, including any mounting device. All helmets are to remain free from all modifications or attachments relating to the use of cameras (ie, helmet-cam mounts).

CAN I USE GOGGLE TEAR-OFFS?

Tear-offs are banned for offroad events in Australia, and are an especially big no-no on private properties with livestock. Roll-off systems are allowed.

WHAT ARE THE CONDITIONS OF ENTRY AND REFUND POLICY?

For details about refund policy, event cancellation, privacy statement and general conditions of entry into JWE Events, refer to the 'Legal' section at jemmawilson.com.

WHAT IS THE JEMMA WILSON EVENT ETHOS?

Jemma Wilson Events are all about the environment that you ladies create. We encourage good sportsmanship, common-sense and courtesy towards other riders because we want everyone to have a good, positive experience – whether that's on the track, in the camping area, or on the access roads leading to and from the event venue. And please, ride to the conditions. Ride at a pace that you feel you can comfortably maintain so that you have a safe and FUN weekend!

THANK YOU & SEE YOU THERE!
