

TRAMPS®

fashion compression hosiery

had an amazing summer, definitely looking forward to the change in weather and fall fashion, but before we search for those cozy sweaters and put our summer clothes away, lets recap: We connected more than ever with our followers through all our social media, we enjoyed sharing new images of our fabulous, Tramps styles and colors as often as we could!

We introduced you to our lovely, operative nurse Mary Sarah Reyes as she tried our newest Tramps; The Emily Maternity style throughout her pregnancy.

 Pregnancy Story...

Our "Emily" testimonial
 is having a
GUURRI!!!

We were so grateful that she took the time to thoughtfully summarize-- as her belly grew--how wearing our compression hosiery helped her feel better throughout every trimester. Right in the middle of the summer heat, a beautiful baby girl Luciana was born, sharing a birthday with our co-founder; Tomas Reyes! How's that for a testimonial?!

Our very own Alex Reyes was interviewed by Latino World Radio, she was also nominated by Nely Galan of The Adelante Movement for People En Español's, 25 most powerful women issue. Throughout a laborious online, voting period; readers, friends, family and Team Tramps took our co-founder, Alex to the top! Earning a spot in the list to be featured in the magazine, October issue (Pick up your copy today!).

Telemundo Austin interviewed Alex at Tramps headquarters and featured her story of perseverance and success in their evening news.

Summer kept us busy, but we managed to squeeze in a fabulous photo shoot with our favorite Austin models for our fall campaign that we are looking forward to sharing with you as soon as possible.

We'd like to thank Nely for her 'ahijada' nomination and Rosie Rivera for her support of Tramps (also wearing The Emily while pregnant, she welcomed a healthy baby boy). Busy at Tramps Headquarters, we now say; Hello Fall!
