FLEXA[®]

PURE & PEACEFUL

Beds, Storage, & Desks

The FLEXA Popsicle collection is playful design with space-saving solutions and attention to every little detail.

Popsicle is made of strong, natural oak that lasts a lifetime – and even longer. It is designed in Denmark and the colours are dusty, creating a calm, and peaceful atmosphere. It is inspired by the simple, soft,

and rounded shapes of a real popsicle.

With Popsicle we wish to give children a safe and joyful childhood. And so, the functional and flexible design can be tailored to children and their families no matter their preferences.

Create a playful child's room with the Popsicle collection.
