

### **Poppie's Bow Scrunchies**

Read all instructions first.

Use a 1/4" seam allowance.

#### Cutting Instructions

Cut 1 rectangle @5" x 22"

Cut 2 bow templates on the fold

Cut 1 piece 8" long of 1/4" wide elastic

#### Sewing Instructions

##### **Bow**

1. With right sides together sew around the outside edge of the bow template. Leave a 1" opening. Clip pointy ends to lessen bulk fabric in the corners.
2. Turn right side out. Press.
3. Topstitch close to the edge.

##### **Scrunchie**

1. Press one short end (5") of the rectangle 5" x 22" to the wrong side 1/2".
2. Fold with right sides together, lengthwise. Sew long raw edge (22").
3. Turn right side out. You will now have a tube. Do not press.
4. With a safety pin, thread the elastic through the folded end of the tube. Pin elastic so it won't pull through. Once elastic is all the way through the tube, overlap elastic 1/2" and zig zag ends together.
5. Place the raw edge of the tube inside the folded edge of the tube about 1/2".

Zig zag across opening.

6. Tie bow around zig zagged seam.

Happy Sewing!
