

OUR STORY

Welcome home to your favourite neighbourhood café bar, Mo Chara. Started by three pals in 2021, we built the place on the concept of friendship and our local community.

You're here for lunch so we're all about coffee and sambos. Now, whether you're one of our regulars or you're coming from afar, you're in for a treat.

OUR COFFEE

We source our house coffee bean **TEAMWORK** espresso from our friends at **CALENDAR** roastery in Oughterard, Galway. As the seasons change, so does **TEAMWORK** espresso, highlighting the very best single origin coffees throughout the year.

Expect a sweet and creamy espresso, with flavours of stone fruit and chocolate. This coffee comes from a group of farmers growing coffee in the highlands of Huehuetenango. This area has the highest non-volcanic mountains in Central America, and some of the most exciting, and complex coffees from Guatemala have come from here. Balanced and sweet, delicious in milk and with enough complexity to be enjoyed straight up.

OUR FOOD

At Mo's, we're serious about our food.
We make everything in house from
our homemade breads,
handmade crisps and house dips.

Our concept is to serve up your favourite sambos
and egg dishes reimagined using only the best
possible locally sourced produce.

We keep our menu small which allows us to use
only the freshest ingredients and never frozen.

Think whopper toasties oozing with flavour with
every element homemade. Or try our egg dishes
for something a little lighter. Soup made fresh every
morning served with our Mo's homemade sourdough.

Twice cooked handcut fries, how you like 'em.
Sure even our bakes are homemade!
