

BETTER DESIGNS, MAT BY MAT

- The Comfort Craft Hexagon series gives you the tailored look and feel of polyurethane with the modern-age Hexagon shapes.

BEHIND THE CHAIR WELLNESS CARE

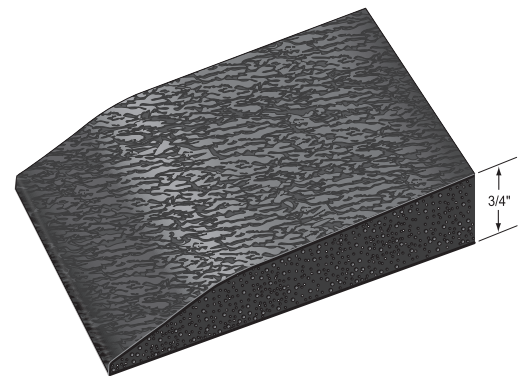

- Comfort Craft mats are designed to stimulate circulation in feet, legs and lower back. The Rhino polyurethane sponge formulation provides optimal balance between compression and resistance which absorbs and disperses shock while providing the necessary support for stability and providing the most effective way to reduce standing fatigue and stress.
- Rhino Salon Mats are known and respected worldwide for their superior performance and durability.

STAND ON WHAT MOVES YOU

- Comfort Craft Hexagon 3/4" thick mats are available in a 3'X5' and 4'X5'. A more economical 1/2" thick mat is available in a 3'X5" size. Giving you 3 variations to choose from.

SALON MATS YOU WILL SWEAR BY, NOT AT

- The Rhino commitment to the Salon Professional is a three-year guarantee.
