How to Add a Photo to Your Locket

Follow these simple steps to add a photo to your locket.

Step 1: Find Your Locket

Find your locket size and shape on the printable Template page.

Step 2: Print the Template

Print the Template page onto standard A4 paper (210 x 297mm).

Ensure that your printer options are set to "100%" page scaling.

Step 3: Cut Out the Locket Shape

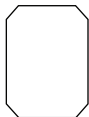

Cut out the locket shape that you want to use, then place it over your photo in the desired position.

Step 4: Trace and Cut Your Photo

Trace around the locket shape and then cut your photo along the traced line.

Your photo should now fit perfectly within your new *by charlotte* locket.
