

SUTRAM Sheets are ethically made from 100% organic GOTS and Fairtrade certified cotton sourced from a collective of 15,000 small farmers from the Maharashtra region of India

Certification under the Global Organic Textile Standard means:

- no GMO seeds
- no harmful chemicals
- no child labour
- azo free, non-toxic dyes

The Fairtrade textile standard promotes improved outcomes for workers throughout the supply chain

- fair, reliable terms for producers
- a proper living wage
- fair safe and healthy working conditions
- reduced barriers to unionise
- training and capacity building
- access to grievance procedures
- cooperative funding via the Fairtrade premium
