

# ANTICA III

ANTICA CHANDELIER | A pre-Hispanic smithing tradition thrives by recycling copper scraps into contemporary lighting fixtures. Originally copper was mined by indigenous people to elaborate masks, chains and other objects as an offering to the Tarascan gods.

W: 100cm, D: 90cm, H: 150cm  
W: 39 3/8", D: 35 7/8", H: 59 1/8"
