

Clean & Dry

Composition

Clean & Dry is a desiccant powder consisting of a blend of natural minerals and essential oils.

Animal focus

Designed to be used in all animal production systems to assist with providing a dry environment.

Main benefits

- ✓ For use within creep areas; helps maintain warm, dry piglets and encourages feeding activity post birth
- ✓ Highly absorbent powder which can reduce moisture to help maintain a hygienic environment.
- ✓ Applied to floors and ramps to help reduce the incidence of slipping of both animals and humans
- ✓ Contains essential oils for their emollient qualities
- ✓ Can be added to bedding and litter to help reduce excess moisture

Directions for Use

Swine:	Up to 300 g/pig/day
Dairy:	Up to 100 g/cubicle
Poultry:	Up to 50 g/m ²
Walkways:	Up to 100 g/m ²

For specific requirements, please contact your local representative.
