

# Orego-Stim Equine

## Composition

Orego-Stim Equine is a high quality eubiotic containing 100% natural oregano essential oil.

## Animal focus

Designed for direct addition to feed or water for horses and ponies.

## Main benefits

- ✓ Flavouring compound, shown to increase voluntary intakes, which can be helpful for fussy eaters
- ✓ 100% natural, consistent single source of oregano oil
- ✓ Oregano essential oil can help maintain a state of eubiosis. Eubiosis is defined as well balanced and diverse microbiota and is fundamental for a healthy gut
- ✓ Oregano essential oil contains anti-oxidants that help neutralise free radicals. Free radicals can cause cell damage and levels of these may be increased in times of stress
- ✓ Active components in oregano oil are beneficial for maintaining respiratory health
- ✓ Oregano essential oil helps support the animals natural defences

## Directions for use

Introduce gradually up to the recommended dose over a period of 5 days.

Ponies:

Maintenance: 10 – 15 ml per day

Extra support: 20 – 25 ml per day

Horses:

Maintenance: 20 ml per day

Extra support: 40 ml per day

**For specific requirements, please contact your local representative.**

## Typical specifications
