

Ross Hayden, founder and president of West Coast Racing Pigeon Federation (Australia) highly recommends Orego-Stim

Ross Hayden, founder and president of West Coast Racing Pigeon Federation (Australia) highly recommends Orego-Stim

Ross tells us about his experience with using Orego-Stim:

"I have been racing pigeons since 1986, I am the founder and president of West Coast Racing Pigeon Federation. Pigeon racing is my passion and it is a sport that the whole family can enjoy from their backyard.

I have about 100 pigeons and have been using Orego-Stim Pigeon Liquid for the past three months. I can notice a visible difference in the overall health of my pigeons from the bloom on their feathers to the firm droppings. I like to avoid antibiotics as I know it knocks around their immune system, so I use natural products wherever I can and Orego-Stim is a perfect fit.

I give the Orego-Stim to the pigeons in their water three times a week. If you haven't tried Orego-Stim and you are looking for a natural alternative to keep your pigeons in peak condition I would highly recommend it."
