

OREGO-STIM™

Nature's Answer from Anpario

Wayne Reese of Greenbank District Pigeon Club and President of Queensland Racing Pigeon Federation – Brisbane – Australia

Wayne tells us about his experience:

"I started racing as a teenager and then started racing again in 1982. I belong to the Greenbank District Pigeon Club and I am President of the Queensland Racing Pigeon Federation.

A friend recommended Orego-Stim Liquid to me, I have been using it when it has been available on and off for the last 10 years. I have been using Orego-Stim Liquid with my race birds and my breeding stock.

There is a noticeable difference in my pigeons, they have extra shine and are in peak condition. One of my pigeons Kruger Rand raced in the Eulo 500 mile Federation Race in September and won by 12 minutes. When she arrived back at the loft she didn't even look like she had just raced. I would recommend Orego-Stim Liquid to pigeon flyers. Hope everybody enjoys their pigeons."
