## - DE MOSCATEL -

You have before you a wine that breaks the mold. A Moscatel that defies the stereotype and proves this variety can be much more than just sweetness. Pasión de Moscatel is a dry, fresh, vibrant white wine full of nuance. A white that showcases this grape in a different, expressive, and characterful way, just like everything we do at Raíces Ibéricas.

### PASIÓN DE MOSCATEL

Pasión de Moscatel originates in the vineyards of El Pincho, at an altitude of 700 meters, enjoying a continental climate softened by the Mediterranean influence, with limestone-rich soils and permeable textures. The 25-year-old vines are cultivated using the Guyot training system.

**Classification:** DO Utiel-Requena

**Varieties:** 100% Moscatel

**Vinification:** cold pre-fermentation maceration and subsequent alcoholic fermentation at a controlled temperature of around 14°C.

**Aging:** On its fine lees until bottling.

### TASTING NOTES

Pale straw-colored. It has an exquisite aroma characteristic of the variety: floral notes, white blossoms, and fruity notes of apricot and green apple. The palate is fruity, dry, with good acidity, and very broad. It has a very pleasant, long-lasting finish.

Pairing suggestion: Ideal with sea bass with almond sauce  
*Serve preferably at a temperature of 8-10°C.*
