# Customer reviews

**My son and all his friends loved his party at Claespace! Alyssa made it so fun and was so attentive to each of the children's needs.**

**I was surprised at how focused all the children were as they designed their clay pieces and then painted them.**

**And now he has the pieces he created on his desk, so proud of his work! It was the best! Thanks Claespace!**

**I held my little creatives birthday at Clae Space (9th birthday) and it was an all round success.**

**The kids loved that they could build anything they wanted - they really let their imagination go wild, and they got to take their creations home a few weeks later.**

**Alyssa made it easy and all I had to do was supply the food. Now my other child wants the same type of party! Thanks so much for a memorable day!**
