

12" OPP LED Non-Link Plug in Undercabinet Bar

UC1139-WHG-12LF0

Description:

Under cabinet lighting is essential in most kitchens because it provides many different sources of light. It is a form of task lighting for preparing food, entertaining and other activities in the kitchen. We focus on producing long-lasting, smooth LED lighting output, so you don't have to worry about seeing the dots from the diodes on your counter top, as well as producing a slim design to keep the fixture hidden under the cabinetry.
