

3-Pack 3" RGBW LED Battery Operated Magnetic Tap Puck Light w/ IR Remote - White

Description:

These 3-inch battery-powered LED magnetic puck lights add colorful and bright light to any space without the need for wiring or professional installation. With these puck lights, enjoy increased flexibility in placement throughout the home such as in kitchen cabinets, pantries, fridges, lockers, or bedrooms. Personalize every lighting experience with the included remote. Change the color, adjust the brightness, and enjoy rotating colors for a fun and dynamic effect. Use the bright white light for tasks or the different festive colors to create a fun ambience. Don't worry about accidentally leaving the lights on. On the remote, choose a shut-off time for it to automatically turn off. For added convenience, manually control the puck light by simply tapping on it. One tap will provide bright white light while two taps will activate continuous colors. Pressing three times will lock the light into the current RGB color, and four taps will turn it off. Upgrade any home lighting with these stylish and convenient LED puck lights.
