

LED Motion Activated Security Light

SE1097-BP2-02LF0

Description:

The Good Earth Lighting LED security lights provide safety and security by illuminating dark exterior areas, such as backyards and driveways. Three different versions in two finishes are available to complement many exterior residential homes. The die-cast aluminum housing is rustproof and the diffuser is shatter-resistant. The diamond-patterned diffusers create a smooth and even light distribution. The LED security lights feature swivel joints for easy head positioning and a specially designed universal mounting plate for fast and easy installation. Motion activated security lights illuminate as motion is detected and turn off automatically when motion stops. The built-in timer and distance range can be customized to individual consumer needs. It maximizes energy savings and discourages intruders from coming near a home.

Dimensional Information:

Fixture Dimensions (inches):	7.25x10.25x6
Fixture Weight (lbs):	1.88
Chain/Stem Length (inches):	NA
Canopy Dia.(inches):	NA

Electrical Information:

Ballast/Driver:	KTLD-25-1P-800-AQ5
Input Voltage:	120V AC @60Hz

Product Specifications:

Construction:	Die-cast housing
Finish:	BP2= Satin Bronze Aged
Diffuser Material:	PC
Diffuser Finish:	DIAMOND LENS
Mounting:	Wall/Eave/Surface/Recessed Mount

Qualifications:

Safety Rated:	Wet Location
Safety Listing:	ETL
Environmental Identifier:	ENERGYSTAR_CERTIFIED
Warranty:	
Prop 65:	Yes

Photometrics:

Light Source:	LED
Light Included:	Yes
Lamp Qty:	
CCT:	5000K
CRI:	76.5
Rated LED Life:	50,000 Hours
Total Lumens:	2138
Input Wattage:	24.01W

Features:

Power Cord:	None- Direct Wire
Linkable:	No
Connector Cord:	NA
Power Switch:	NA- Direct Wire
Dimming:	No
Dimming Type:	Not Applicable

Battery Information: (If Applicable)

Battery Included:	No
Battery Type:	NA
Battery Life at Full Charge:	NA

Additional Features: (If Applicable)

Two Level Lighting:	No
Two Detection Zone:	No
Motion Detection Range:	180 degrees up to 70 ft
