

One Head LED Dusk to Dawn Security Light

SE1091-BP2-01LF0

Description:

The Good Earth Lighting LED security lights provide safety and security by illuminating dark exterior areas, such as backyards and driveways. The die cast aluminum housing is rustproof and the diffuser is shatter-resistant. The diamond-patterned diffusers create a smooth and even light distribution. The LED security lights feature ball & socket for one-hand light adjustment and easy head positioning, and a specially designed universal mounting plate for fast and easy installation. It maximizes energy savings and discourages intruders from coming near a home.
