

**Three Head LED 240 Motion 100ft  
Creep 2Secure Light**  
SE1095-WH3-02LF0

**Description:**

The Good Earth Lighting LED security lights provide safety and security by illuminating dark exterior areas, such as backyards and driveways. Available in two finishes to complement many exterior residential homes. The die cast aluminum housing is rustproof and the diffuser is shatter-resistant. The diamond-patterned diffusers create a smooth and even light distribution. The LED security lights feature swivel joints for easy head positioning and a specially designed universal mounting plate for fast and easy installation. Motion activated security lights illuminate as motion is detected and turn off automatically when motion stops. The built-in timers and distance range can be customized to individual consumer needs. It maximizes energy savings and discourages intruders from coming near a home.
