## 29L FREESTANDING MICROWAVE WITH AIRFRY

### FEATURES & BENEFITS

#### AIRFRY

The Air Fryer function enables you to enjoy healthy, tasty food at the touch of a button.

#### ROTISSERIE

The detachable rotating rotisserie bar, controlled by an independent motor, ensures evenly roasted results.

#### FORCED AIR

This technology forces hot air into the cavity and cooks without using the microwaves, just like a traditional oven.

#### QUARTZ GRILL

Uses less energy, but heats up faster (in 60 seconds), preparing food 3 times faster than a traditional infrared grill. The grill can also burn away any food and dirt residue, making it self-cleaning.

#### CHEF MENU

Pre-set programs to make cooking a completely intuitive experience.

#### AUTO CLEAN

Automatic Easy to Clean Function. Direct Access on the control panel. No use of chemicals needed.

#### 2 YEAR REPLACEMENT WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement to ensure the product works as described.
