Clamp
Mount

DOUBLE DESKTOP MONITOR ARM

Support Most Types of Monitors

Supports flat and curved monitors from 13" to 32"
Holds up to 2 monitors with a maximum of 10kg.

Fully Articulated

Tightly screw and secure both your monitors in multiple positions with $\pm 90^\circ$ swivel and $\pm 45^\circ$ tilt. Move and adjust for your best setup.

Your Choice

Choose to bolt it down to your desk to keep the mount from moving around. Choose the non-destructive clamp to keep your desk clear from any holes. All mounting hardware included.

Cable Management

Use the clips at the top and the back of the bars to have your cables tucked away. Adjust the position as needed.

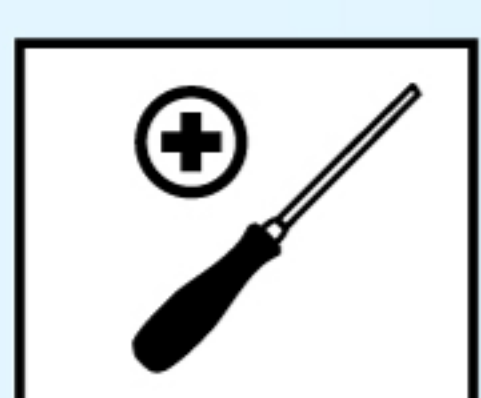

Landscape or Portrait

360 degree rotation for Horizontal and Vertical mounting options. Perfect to have your monitor set up for chats, reading, and gaming.

Required Tools

Drill & Bits

Philips Screwdriver

Pencil
