

# Dina Bed

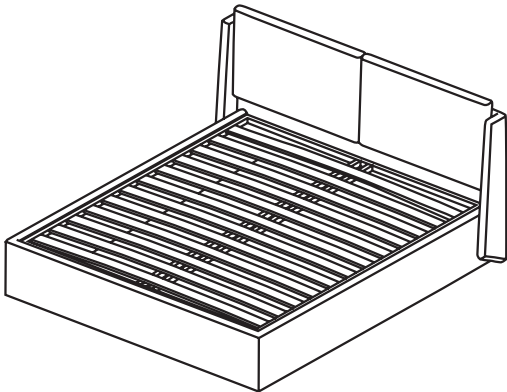

ITEM NO.: H8057A

## Assembly Instructions:

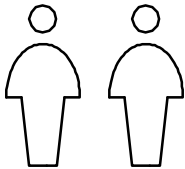

When assembling this bed, carefully remove all wrapping materials and ensure all parts are accounted for. Assembling on a clean flat service will minimise the chance for damage. Keep the packaging until the item is fully assembled.

For safety, assemble the bed in the correct steps. Do not fully tighten all bolts until all parts are in place, failure to follow these instructions may cause the bolts to become misaligned during assembly.

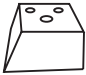

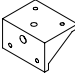

If using power tools to aid assembly, please use caution as power tools can damage the hardware and/or the product. This will void the warranty.
