

NATADORA

TANARO SHELF

by Jose Garcia Ballestero

The tanaro console presents an interesting and tactile mix of materials combining stone, wood and steel, but retains a visual lightness by leaning into the negative spaces, a concept referred to in Japan as "nuka-kan".

AVAILABLE IN THE FOLLOWING CONFIGURATIONS

tanaro shelf
1400L x 375D x 800H

top : marble - bianco carrara / nero perlato or travertine
