JWDA Table Lamp
by Jonas Wagell

Originally inspired by more archaic oil lamps of the past, the JWDA's form has been simplified into an organic shape that beautifully blends contrasting elements, whereby the raw and delicate harmoniously meet in one. Casting a muted, soft glow, JWDA comes supplied with a G9 frosted bulb, which can be easily adjusted by hand. Its simple silhouette and timeless quality will add a touch of sophistication to the interior, but its functionality and ease of use will ensure that JWDA will become an important part of people's daily lives and do more than just look good.
