Assembly Requirements:

Parts:

(A) TABLE TOP = 1PC

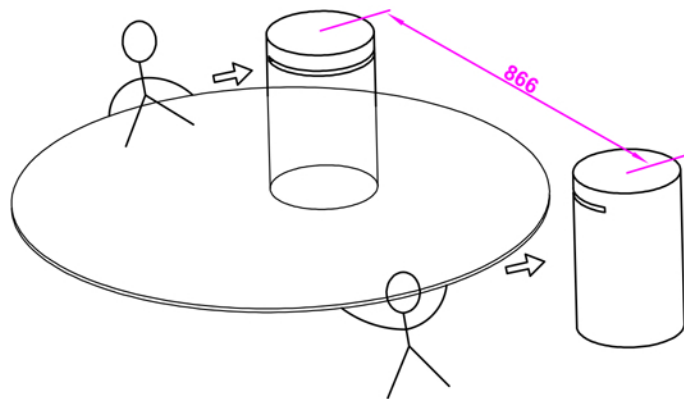

(B) LEG = 3PCS

Step 1

Adjust the first two legs so they are the correct distance 866 mm apart.

Using two people insert the glass into card slot of the first two legs.

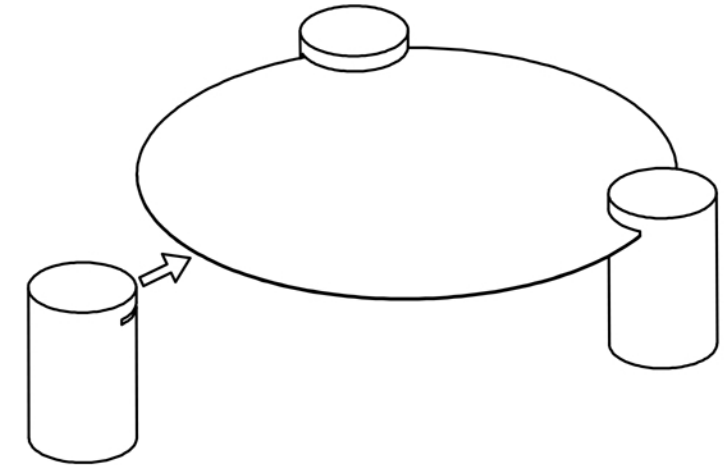

Do not let go after the panel is inserted into the first two legs, and keep the glass panel parallel to the table feet.

Step 2

Get the third person to move the last leg into position and slowly move it towards the table top so the card slot lines up and is inserted correctly.

Step 3

Once the table top is inserted, if required slowly move the legs so that the spacing between each one is even.
