

The Cherry armchair is elegant but casual, with a hint of mid-century style. Soft, deep cushions are ideal for relaxing into, while a defined structure gives it the right sensibility for a modern living space. It combines with the Cherry sofa to make a generous family of seating.

Design

Cameron Foggo, 2012

Material

Legs/base: Steel, solid beech, solid pine

Filling: High-density polyurethane foam, feather

Colour

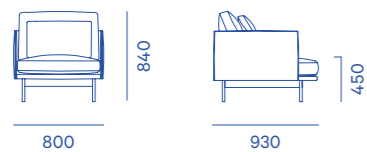

Steel legs/base in matt black powder-coating

Fabric: Range 2-9

Leather: Range 1-4
