

The smart upholstered Kitsune armchair has strong aesthetic characteristics. Mentsen, its designer, wanted to convey the idea of contrasting volumes and the shapes created by folding a cushion. Piped edges to the upholstery accentuate the sofa's outline, giving graphic contrast to the soft forms. The back and armrests are connected delicately with contrasting hand stitches.

Design
Mentsen, 2017

Material
Legs/base: Steel
Filling: High-density polyurethane foam

Colour
Steel legs/base in matt black powder-coating
Fabric: Range 2-9
Leather: Range 1-4

Assembly
Assembled
