

The Portobello armchair has scooping organic forms: it cuts an elegant figure from sweeping back to soft seat. A curved outer gives the impression of a mushroom's dome, with the inner filling providing just the right balance between soft and firm. There are two base options—a continuously bent steel base, or solid oak. A matching footstool is available.

**Design**  
Mentsen, 2017

**Material**  
Legs/base: Steel or solid wood  
Internal frame: Steel
