

These two rectangular wood tables work together or apart. Each has a gesture to guide you in arranging objects; a gentle groove in the centre of the tall table, and a shallow dish in the low table. When overlapped the I-O tables make a graceful pair; when separate each has its own character. They are available in two versions, with leg in slim metal or cylindrical oak.

Design
Mentsen, 2017

Material

Top: Solid oak with PU finish
Legs: Solid oak or black matt powder-coated steel

Colour

Available in 2 finishes:
— light oak
— black oak
