

CORPORATE PROFILE

SourceIT Pte Ltd is a leading technology integrator company specializing in providing state-of-the-art video conferencing solutions to businesses worldwide. With a customer-centric approach and a commitment to innovation, we strive to revolutionize the way organizations communicate, collaborate, and connect with teams, partners, and clients.

Established in 2022, SourceIT has emerged as a trusted name in the video conferencing industry, offering advanced communication solutions that transcend geographical boundaries. Headquartered in Singapore, we have expanded our operations globally, serving clients across various industries, including finance, aerospace, healthcare, education, and more. With a focus on providing cutting-edge technology and exceptional service, we have earned a reputation for delivering innovative video conferencing solutions that enhance productivity and drive business success.

Till date, we have gathered vast clientele spanning industries and sizes, ranging from small businesses to multinational corporations. Our success stories demonstrate our commitment to delivering value and tangible results. By implementing IT/AV solutions, our clients have experienced enhanced communication, improved productivity, cost savings, and strengthened partnerships.
