FRUIT-FORWARD & SPIRIT-DRIVEN

All-malt, and quite the all-rounder, Orchard House features some of Scotland's fruitiest whiskies. A lively and fragrant sipper with a light oak influence, perfect for the home bar.

FLAVOUR PROFILE

Aromas of apple and pear dominate, with hints of pineapple, lemon and lime zest, and Earl Grey tea. Take a sip and note the malty and gingery flavours. These are soon joined by honey, wild strawberries and vanilla shortbread.

SERVING
