Our adjustable, extendable arm for your charging cable provides elevated charging for electric vehicle owners everywhere. Rather than twisting under you, your electric vehicle cable will hover above you. Never worry about coiling your cable again.

Improve garage safety, organization, and space efficiency.

A really smart solution to an annoying problem in my garage. Top notch product construction. Easy to install. No issues. - **Jonathan Rosenberg**

Awesome product. Works great and no more awkward wires laying around the garage to trip over! Good times. - **Steve Gaither**
