OM Seating designed the CLS series to make life easy for everyone from facility managers to bank tellers to lab technicians alike.

Simplicity comes from designs that are based on our PA Collection (PAC) chairs.

Ease-of-use comes from the standard Grande Spider Package (GSP) that takes the guesswork out of footring adjustment and gives CLS chairs superior mobility.

CLS561 Mid Back
Arms: JR-39

CLS57D Mid Back
Arms: KR-240M

CLS53 Petite Seat and Back
Arms: KR-240M

Gain peace of mind from user-friendly control mechanisms and OM's standard 12-year limited warranty. We stand behind our chairs, so that you can be even more comfortable sitting in them.

8" Pneumatic Cylinder (Maximum Seat Height W/GSP Is Same As Stool With A 10" Cylinder)

22" diameter flat footring at 11" optimal fixed height

1.25" Diameter, 13+ Gauge, Rugged Steel Chrome Spider Base (Designed To Pass 3000 Lbs. Static Load Tests)

Super-sized and adaptable, 65mm Dual-tone Universal Casters (works on most floor surfaces)

The Grande Spider Package is a standard feature on CLS series chairs and is the perfect combination of everyday practicality and attractive aesthetics. Featuring adaptable 65mm, extra-wide casters, an 8" chrome cylinder, and a chrome spider base with a fixed height footring, the CLS package was designed for trouble and worry-free use in even the most challenging environments.
