TASK, MANAGEMENT & STOOL

INTENSIVE USE CHAIRS AND STOOLS

DESIGN

The 24-Seven Intensive Use collection offers a broad range of choices to satisfy users in almost any 24/7 work environment. With well-priced and durable task chairs and stools that feature a uniform look and a consistent set of functions across several models, you can be sure that your hard-working employees will be able to enjoy the same level of comfort regardless of their body type or height. Simply put, these IU chairs are designed to work long hours so that your maintenance people won't have to.

IU79HD

DESIGN

Multi-function adjustability for custom fits.

Standard with sigh-producing DCS™ Technology seat.

High back and extra tall back availability to accommodate a range of body types.

Reinforced components for 24/7 usage by users up to 350 pounds.

Durable ballistic nylon overlayer on bottom half of backrest (standard on IU76PD, IU77PD and IU79PD).

OPTIONS

A broad selection of arms includes most Group 1 and Group 4 options.

Complete caster and glide selection availability.

Heavy-duty pneumatic cylinders for optional heights.

Fabric options include COM, selected OM Seating In-Stocks and other Grade-In fabric partners.

IU76PD

IU77PD

IU79PD

Shown at left. A multi-function chair (IU76HD, left) with ultra-mobile KR-540 arms, a tall back intensive use and heavy-duty chair (IU79PD, right) and a high back multi-function stool (IU77HD, back). All upholstered with Grade 1, Spice Nutmeg fabric.

STYLE

HEAVY-DUTY MULTI-FUNCTION

AVAILABLE

TASK, MANAGEMENT & STOOL

INTENSIVE USE, HEAVY-DUTY CHAIRS AND STOOLS

DESIGN

The Intensive Use, Heavy-Duty (IUHD) collection and the closely related Intensive Use, Police Department (IUPD) collection are truly built to last in the most challenging of environments. With heavy-duty components and an extra-durable ballistic nylon overlayer (on IUPD chairs) to protect the bottom half of the backrest from excessive wear, OM has over-engineered these chairs to provide you with complete 24/7 reliability.

IU76

VARIETY

Comfort, affordability, and above all else durability, are the keys to the OM Intensive Use collection of seating. Whether you have a need for seating designed for heavy-duty users, 24/7 call centers or even the most challenging law enforcement environments, choose from a broad selection of situation appropriate stools and chairs.

For the reliability you need - night and day - OM Seating is here to answer your call.

OPTIONAL ARMS FOR IU, IUHD & IUPD SERIES SEATING

The above arm options are some of our most popular styles.
Please refer to the OM Seating price list for more available arm styles, and complete descriptions and specifications.

Overall width of a chair with arms will be increased by approximately 5 inches.
Overall weight of a chair with arms will be increased by 8-12 pounds (dependent upon arm choice).
Arms are covered by separate warranties, please refer to the OM Seating price list for a complete description.

Independent seat and back angle adjustment
Patented Turn-Lock footring
Tension knob
Sliding seat
20" chrome footring
Heavy-duty structure
DCS seat
8" cylinder only

Glider
For any surface, keeps chair or stool stationary.

Regular Caster
For carpeted surfaces, hooded hard casters.

Self Braking Safety
For smooth surfaces, restricts rolling when user is not seated.

Reverse Braking
For smooth surfaces, locks when user is seated.

Dual Tone Universal Casters
For any surface, standard on IUHD and IUPD models.

OPTIONAL CASTERS FOR IU, IUHD & IUPD SERIES SEATING

The above casters are some of our most popular options. Refer to the caster section of the OM Seating price list to help you choose the caster that is right for you. Tailor your caster selection specifically to the type of flooring where your seating will be used. Dual color soft casters are extra wide and 65mm tall, for exceptional mobility on any surface. Even the most well-made casters are subject to wear and tear. While performing routine maintenance will extend the life of your casters, eventually you may need to replace them.

IU76PD

FINISHES FOR IU, IUHD & IUPD SERIES SEATING

IUHD and IUPD chairs feature our specially engineered, heavy-duty composite base with semi-gloss titanium coloring. For a hybrid environment that requires the same aesthetic as our IUHD/IUPD chairs for non-24/7 use, consider the PT/Paramount series.

UPHOLSTERY FOR IU, IUHD & IUPD SERIES SEATING

Seats are available in a variety of OM Seating upholstery, COM and other Grade-In fabric partners. Please reference the OM Seating price list for procedures and important details concerning COM fabric specification.

OM SEATING DCS TECHNOLOGY

IUHD and IUPD Series incorporate the support and comfort of DCS™ Technology. Please consult an OM Seating representative or our price book for details.
