British Dragon was a steroid manufacturer operating in Pattaya, Thailand founded in 1999. Most of the powders they used to mix their compounds were acquired from the Chinese market and for over a decade British Dragon steroids dominated the market. However, as is common place in the underground steroid world, in 2008 the syringe ran dry.

British Dragon is Busted. In December 15, 2005, the DEA made busts of several Mexican sourced anabolic steroids, which lead the DEA to investigate British Dragon. In August of 2006, Richard and Mark decided to pull out of the partnership with Alin by looking to buy Alin out (or be bought out themselves). More heat descended upon British Dragon.
