CHAIRS - CUSTOM NATURAL OAK

WORKSHOP/APD FOR DESIRON LOUNGE CHAIR

The Workshop/APD for Desiron Lounge Chair is a further study in organic forms and connections that are defined by gentle curves and material contrasts. The piece's sculptural upholstered backs and arms – curved as if to embrace the user – are joined to the upholstered seat by a wood key detail adding additional warmth and texture to this new upholstered offering by Desiron. The master artisans at DESIRON bring the piece to life in the finest finishings and fabrics.
