

WORKSHOP / APD FOR DESIRON – QUARTZ

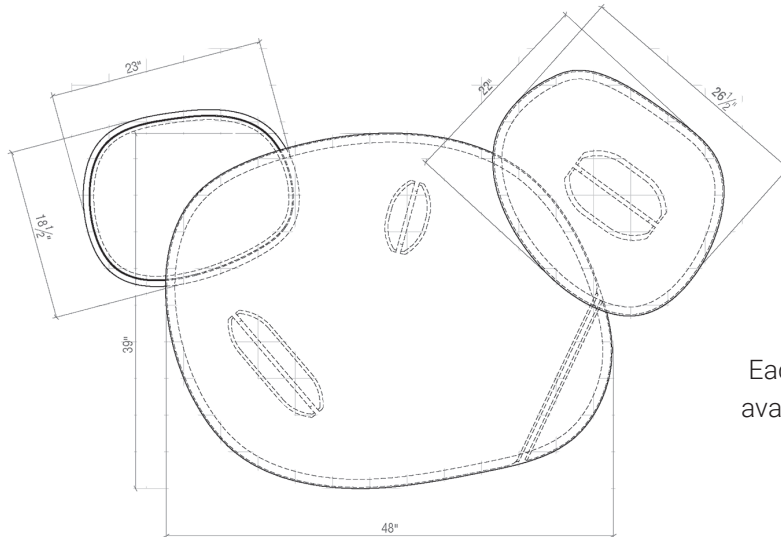

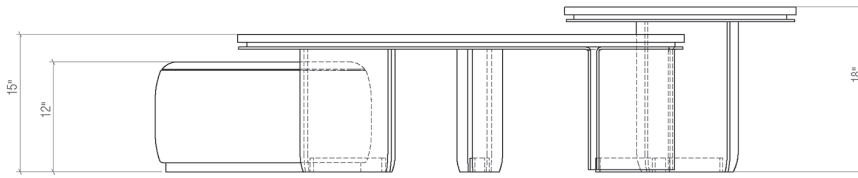

WORKSHOP/APD FOR DESIRON COFFEE TABLE SET

This composition of flexible organic forms can be arranged and purposed in myriad configurations. With signature reveals, a solid wood top with micro-beveled edges sets atop large and small sculpted wood legs and a planar bent-metal leg and base. A coordinating upholstered ottoman floats on an inset plinth base, echoing the proportion of the table's wood foot. A smaller ottoman can also be added or substituted. A second, coordinating satellite table is set slightly higher with a sculpted wood leg.
