WORKSHOP / APD FOR DESIRON – CHARCOAL

WORKSHOP/APD FOR DESIRON ROUND SPOT TABLE

A round solid wood micro-beveled top floats cantilevered atop a bent-metal leg with a metal return and echoing circular foot. The asymmetrical take on the I-beam is decidedly contemporary without being overly reductive. The streamlined spot table presents hallmarks of the collection and can easily accommodate a laptop or movie snacks for residences, while also working beautifully within hospitality and commercial settings.

ROUND SPOT TABLE
