

WORKSHOP / APD FOR DESIRON – QUARTZ

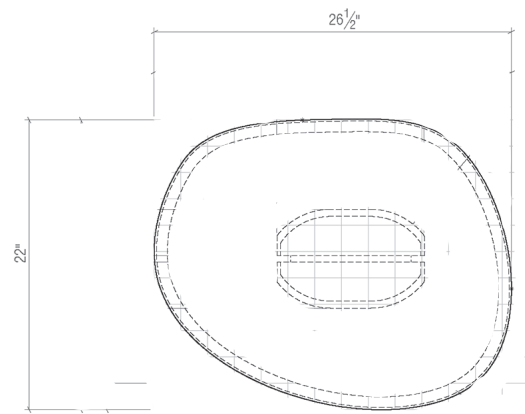

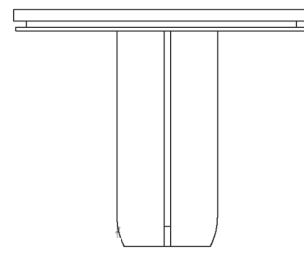

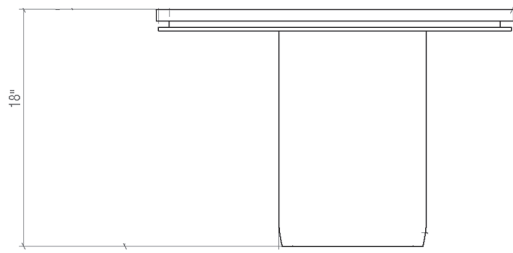

WORKSHOP / APD FOR DESIRON SATELLITE TABLE

A solid wood top with micro-beveled edges offers a reveal around its ledge that is a signature of the collection. The top is anchored by a sculpted wood leg that stands it taller than the paired coffee table within the Coffee Table Set. On its own, this elegant spot table presents sturdy functionality with impeccable quality and luxurious finishing that is customizable to create one-of-a-kind pieces.
