

WORKSHOP / APD FOR DESIRON – CHARCOAL

W/APD FOR DESIRON SQUARE SPOT TABLE

Our square-top spot table equally presents the architectural elements of the collection. A solid wood micro-beveled top floats cantilevered atop a bent-metal leg with a metal return and echoing square foot. The streamlined table's asymmetrical take on the I-beam may have a slender profile, but the materials make for a sturdy piece that accommodates books and coffee for a residence, with applications for hospitality and commercial spaces as well.
