CERAMIC NON-STICK

# BARCELONA PRO COLLECTION

## CAREFREE AND HEALTHY COOKING

Our Barcelona Pro collection features our PFAS-free Thermolon™ Infinity Professional ceramic non-stick coating with ScratchGuard™ technology for the ultimate non-stick performance and amazing durability. Cherry on the cake: the BalancePro™ base, that stays perfectly flat when heated, keeping your oil or butter where you want it... allowing you to even use less. A seamless and rivetless interior avoids food getting trapped. The Pro-Tec reinforced rim provides added protection, so you can tap your spoon on the rim without damaging it. This collection has a timeless design: the pitch-black colour looks sophisticated and contrasts beautifully with the mirror finish premium handles, manufactured in cast stainless steel. A user-friendly range to cook healthy, for everyday use!

- **Excellent non-stick performance:** PFAS-free Thermolon™ Infinity Professional ceramic non-stick coating
- **Intensive daily use:** extremely scratch-resistant coating with ScratchGuard™ technology and hard anodized aluminium body for extra strength (2x as hard as stainless steel)
- **Quick and even heating:** 5mm ultra-durable body for optimal heat distribution and excellent cooking results
- **Healthy cooking:** ceramic non-stick coating requiring less oil or butter
- **Easy to clean interior:** seamless and rivet-less interior, preventing food traps
- **Mirror finish premium handles:** manufactured in cast stainless steel, for a classic and elegant look & feel
- **Metal utensil safe**
- **Dishwasher safe**
- **Oven safe up to 220°C**
- **All hobs including induction**
- **Limited lifetime warranty**

# CAMBRIDGE

## COLLECTION

## EVERYDAY USE

Now is the time to get your hands on our Cambridge collection. The stay-cool bakelite handles with matt finish accentuate the crispy clean look, while the Thermolon™ Infinity ceramic non-stick interior coating, enhanced with diamonds, allows for extreme non-stick performance, quick heating and extra durability. A coated exterior makes this cookware even easier to clean, plus it looks and works great with our magnificent Magneto™ induction base. Are you ready to shine?

- **Intensive daily use:** Infinity, ceramic non-stick coating enhanced with diamonds
- **Quick and even heating:** heavy gauge construction for reliable cooking results
- **Energy saving induction base:** Magneto™ induction technology for top of the line stovetop performance on all heat sources
- **Glass lid:** for easy food monitoring
- **Stay-cool handle:** ergonomic comfortable grip
- **Drip free edge**
- **Easy to clean**
- **Metal utensil safe**
- **Dishwasher safe**
- **Oven safe, glass lid up to 160°C**
- **All hobs including induction**
- **Limited lifetime warranty**

## COLLECTION

### WHEN DESIGN MEETS PERFORMANCE

GreenPan Copenhagen combines smart technology with a sophisticated look & feel. Made with premium quality materials for extra durability and professional results, Copenhagen's sleek, modern design features a unique handle in brushed stainless steel with etched detailing. A beautiful addition to any kitchen.

The Copenhagen collection's unique body design offers up to 25% more space to craft your cuisine. That's seared pork chops with room to spare and family-sized meals with one-pan ease. No cramped cooking, no worries.

Each piece features Thermolon™ Infinity Pro coating, a cutting-edge ceramic non-stick coating with multiple diamond-infused layers for fantastic performance, excellent heat transfer and extreme durability. It's 3x more durable than traditional coatings and metal utensil safe.

A scratch-resistant hard anodized body and stainless steel handles keep this collection resilient on the outside, too.

- **Intensive daily use:** Infinity, ceramic non-stick coating enhanced with diamonds
- **Scratch Guard™:** innovative reinforced surface technology for maximum strength and scratch resistance
- **Glass lid:** tempered glass lid, easy to check the cooking progress
- **Stainless steel handle:** durable riveted stainless steel handle, for stovetop and oven
- **More cooking surface with a larger base**
- **Energy saving induction base:** Magneto™ induction technology for top of the line stovetop performance on all heat sources
- **Easy to clean exterior**
- **Metal utensil safe**
- **Dishwasher safe**
- **Oven safe up to 220°C**
- **All hobs including induction**

## COLLECTION

## UNMATCHED PERFORMANCE

The Première Collection is GreenPan's newest showpiece! For this range, the brand has combined all its know-how and experience. The result is a professional grade 3-ply stainless steel collection that looks amazing and performs excellent on all stovetops!

The advanced Thermolon™ Infinity Pro coating is enhanced with diamonds and is extremely durable. It's the n°1 healthy ceramic non-stick coating on the market, created for intensive daily use. Even after countless cooking sessions your pots and pans will look brand new, thanks to the innovative Evershine™ technology.

Another special feature are the durable wrapped stainless steel rims. They protect the non-stick coating against bumps and chipping. Silhouette rivets create a seamless and easy-to-clean interior, while sturdy stainless steel handles guarantee a secure grip. GreenPan Première is the ultimate collection for a professional cooking experience. Already a favorite among top chefs!

- **Intensive daily use:** Infinity, ceramic non-stick coating enhanced with diamonds
- **Sturdy stainless steel rim:** protects the nonstick coating against bumps or chipping. As a result, your cookware will last even longer. The special rim also protects the aluminum underneath, so there's no risk of corrosion
- **Quick and even heating:** heavy gauge construction for reliable cooking results
- **Evershine technology:** heat discoloration resistant stainless steel, Tri-Ply construction, helps to keep cookware looking new for many years to come
- **Durable oven safe handle:** riveted contoured stainless steel handle
- **Glass lid:** for easy food monitoring
- **Professional grade**
- **Easy to clean**
- **Metal utensil safe**
- **Dishwasher safe**
- **Oven safe, glass lid up to 220°C**
