

MAP (Third Party Restrictions)

Below is a list of manufacturers/brands that have restrictions in regards to selling on third-party platforms.

Third-party platforms include any webstore that is not your own proprietary website. Examples include, but are not limited to: Amazon, eBay, Rakuten, Wish, Jet, Sears, Walmart, Etsy

The list below is not all inclusive. Manufacturers' policies are subject to change.

Please review the MAP sheet for all manufacturers that you plan to list on your webstore. Some manufacturers allow certain third-party platforms but still have strict rules about minimum pricing, written permission, or otherwise.

Last Updated: April 2024
