

FLUA®

FILOLUCE W 1

Thanks to the very unique silicon material, FILOLUCE is a linear light that is very flexible and designable for designers to create various shapes for different spaces. The diverse accessories allow users to personalize their very own FILOLUCE shape to be the wall decor or ceiling suspended art piece.

Available with tunable white and RGB version, dimmable via APP through wifi as well as the triac dim, DALI, 1-10V etc.. Ideal for residence, hotel, bars and other various interior spaces with artistic temperament.
