

S-PRESSO

DO YOU

Your car is an extension of you and what you like to do. Whether you are a sound connoisseur or a space lover – the Suzuki S-Presso is perfect for you. We're all different after all, and we enjoy different things, so why not choose a car that matches whoever you are and whatever you do.

**THAT'S WHY WE SAY
- WHATEVER YOU DO,
DO YOU, IN A SUZUKI
S-PRESSO.**

DO YOU, THE WAY YOU WANT TO.

You can never miss its presence on the road. With a bold design, robust stance that radiates vibrant energy, its attractive SUV styling and 180mm ground clearance, the S-Presso brings alive every place in the city it ventures to. It's a car built for you to take on your own road and do what reflects you. Every drive in this city slicking or dirt road travelling SUV, is a self-expression of the zesty spirit that defines you. **Hop into the S-Presso, and do life your way.**

S DO DI

RLESS DO QUI

DO BOLD

THE S-PRESSO'S EXTERIOR DESIGN IS A SIGHT TO BEHOLD.

Its bold and athletic profile, combined with its tall and powerful stance ensuring it commands all the attention wherever you go. The car's strong character lines and prominent exterior features, such as the muscular front grille, striking front and rear bumpers, distinct headlamp and rear lamp design add to its charming appearance. Make a bold statement. Do lanes or bends or streets ... or don't. It's up to you.

DO ENERGY

The moment you step inside the S-Presso, your eyes instantly fall on the unique centre console housing a trendy digital speedometer.

DO EXCITING DO FEARLESS DO LEISURE DO MORE DO DIFFERENT DO QUIET DO YOU

METER CLUSTER

The cutting-edge design gives the car a futuristic look, while ensuring good visibility of the speedometer, allowing you to do you at any speed, on any road. The sharp and sophisticated LED display also gives you all-important details such as time, fuel economy, average speed, driving time and more.

7" INFOTAINMENT SYSTEM WITH SMARTPHONE CONNECTIVITY AND REVERSE CAMERA*

You'll always be in a good mood when doing you to your favourite hip hop, pop, rock, jazz or even reggae track in the S-Presso. Thanks to its audio system that lets you enjoy your favourite tunes, the full dot LCD ensures clear visibility and comes with AM/FM radio, USB/AUX port and Bluetooth®* connectivity.

*Bluetooth is a registered trademark of Bluetooth SIG, inc.

A 7-inch touchscreen display enables intuitive operation of multimedia features including audio, hands-free phone, and smartphone integration.

Features can be selected from the four main operating modes - Listen, Call, Drive and Connect. The 7-inch touchscreen infotainment system with smartphone connectivity and reverse camera works with Apple CarPlay and Android Auto™. By connecting your compatible iPhone via USB, Apple CarPlay allows you to make phone calls, access your music, send and receive messages, and get directions all by voice command or a tap on the audio display. Android Auto puts Google Maps™, Google™ Search and other Google services at the driver's fingertips in a non-distracting way.

*GL+ and S-Edition only

AIR CONDITIONER AND 12V SOCKET

While enjoying the high-energy drives of the S-Presso, experience the convenience it offers too. Wherever the road takes you, its easy-to-operate manual air conditioner keeps you comfortable, while a 12V socket in the front console lets you charge your devices.

DO PERFORMANCE AND COMFORT

The invigorating experience of the S-Presso is a combination of driving performance and convenience. With a peppy engine and other innovative features, you're free to do fast or slow, uphill or downhill. And because comfort matters, it has a spacious cabin and ample shoulder room. That's not all. A 239 litre luggage compartment provides enough space for multiple items, and if you require more space just fold the rear bench seat.

Sit back, relax and just do you!

DO SPACE

The presence of storage compartments let you stow small items, drinks, make up, wigs or whatever you're into, adding to the comfort of the spacious interiors.

1.0L PETROL ENGINE

THE S-PRESSO'S COMPACT 1.0 LITRE ENGINE IS THE PERFECT FOIL FOR HOWEVER YOU WANT TO DO YOU.

After all, it delivers a peppy performance to go along with your active lifestyle. Plus, it delivers enhanced fuel efficiency, allowing you to go that extra mile.

DO MANUAL TRANSMISSION

With a five-speed manual transmission, the S-Presso makes driving on any road a pleasant experience. Its transmission offers an optimal gear ratio and reduces friction for the engine and drivetrain enabling it to obtain the best possible fuel consumption and power performance for whatever you feel like doing.

DO AUTOMATED MANUAL TRANSMISSION

The five-speed (AMT) Automated Manual Transmission features the same convenience and comfort of a conventional automatic transmission - but with excellent performance, improved fuel efficiency and the ability to change gears manually if you prefer to do so.

DO YOU SAFELY

The S-Presso lets nothing hinder you from reaching what you set out for. And it does this by keeping you protected on every road you take.

With a host of exceptional safety features, the S-Presso takes care of you while you enjoy the drive.

HEARTECT

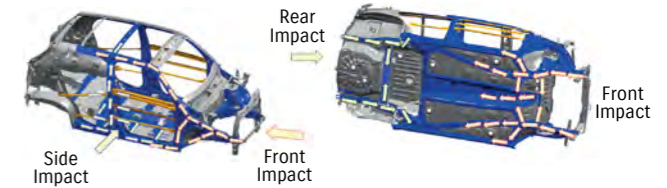

NEW-GENERATION "HEARTECT" PLATFORM

Innovation lies at the heart of the S-Presso. It is built with Suzuki's new-generation platform – HEARTECT. Light and highly rigid, it lowers fuel consumption and vastly improves the fundamental vehicle performance in terms of running, turning and stopping. Its frame is characterised by smooth and continuous curves, which efficiently disperses impact energy in case of a collision.

LIGHT, IMPACT-ABSORBING TECT (TOTAL EFFECTIVE CONTROL TECHNOLOGY) BODY

The body design of S-Presso centres on Suzuki's TECT concept, which helps protect the cabin in the event of a collision by efficiently absorbing and dispersing energy. It also widely employs high tensile steel to achieve both lightness and excellent safety performance.

ABS WITH EBD

In emergency braking or on slippery surfaces, the anti-lock brake system (ABS) keeps tyres from locking, and enhances the driver's ability to avoid obstacles through steering. Furthermore, the electronic brake-force distribution (EBD) optimally distributes front and rear braking force to help reduce stopping distance.

PRE-TENSIONER AND FORCE LIMITER SEATBELTS

The pre-tensioner is designed to tighten the seatbelts to restrain occupants quickly and to prevent them from being thrown forward in case of a moderate or severe frontal crash. Force limiter helps protect occupants from seatbelt inflicted injuries.

AIRBAGS

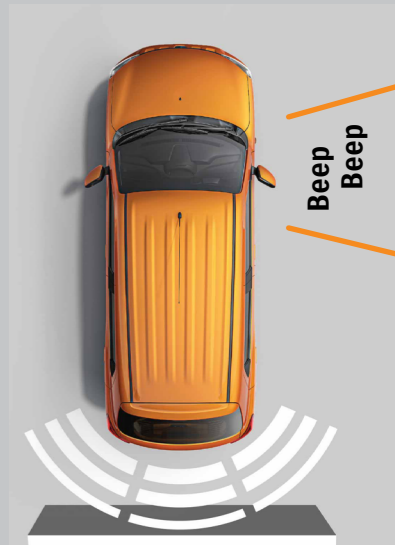

The S-Presso comes with two front SRS airbags as standard for the safety of both the driver and front-seat passenger in case of a frontal collision.

REAR PARKING ASSIST SYSTEM

S-Presso is fitted with ultrasonic sensors in the rear bumper along with a reverse camera*. This means you can get rid of your parking woes, because it helps detect obstacles while you park the car. Warning sounds keep you aware of the distance to the obstacle while the display from the reverse camera* makes parking a simple task.

*Reverse camera on GL+ and S-Edition only

SUZUKI COMPLETE

Suzuki understands that purchasing a new vehicle is a substantial investment. Our unwavering commitment to customer satisfaction is represented in our 'Suzuki Complete' package, which includes every aspect of after-sales support, with warranty, service plan, and roadside assistance standard.

Warranty

All Suzuki models are covered by a comprehensive manufacturer's warranty against any defects for a period of three years or 100 000km. This is supported by a six year body corrosion warranty subject to terms and conditions.

Service Plan

The Suzuki S-Presso model benefits from a 2yr / 30 000km service plan. This plan includes the replacement of oil, the oil filter, fuel filter, brake fluid, air filter and accessory belts, but excludes tyres, brakes and other wear-and-tear items.

Service Intervals

15 000 km or one year, whichever comes first.

Roadside Assistance

Every new S-Presso comes with a roadside assistance plan. Some of the benefits offered by this comprehensive package include: battery and locksmith call-out services, mechanical and electrical, breakdown towing (accident towing is optional), emergency medical rescue, vehicle repatriation and a stand-by-you roadside security armed-response service.

All care is taken to ensure the accuracy of this brochure at the time of print approval. Specifications, features, prices and model availability may vary from those specified and may change without notice. Always consult your authorised Suzuki Dealer or refer to www.SuzukiAuto.co.za for the latest details on all models. SUZUKI AUTO South Africa (PTY) Ltd will not be held liable for any loss as a result of reliance on the content of this brochure, whether in negligence or otherwise. Vehicles are shown for illustrative purposes only and may not depict exact specifications. Published September 2020.
